GENERAL TERMS: Prices, plans and programs are subject to change. State and local sales taxes and fees may apply when adding funds to your Boost Mobile account. Directory Assistance: \$1.29/call + airtime. Mobile-to-Mobile: For domestic calls placed directly between Boost Mobile, Sprint and Nextel subscribers (excludes indirect methods). Text to third parties for content and promotions may result in add'l fees. Domestic Coverage: Coverage not available everywhere. CDMA Series: Nationwide Sprint Network reaches over 275 million people; includes the 48 U.S. contiguous states, HI, DC, PR, and US VI. Sprint Mobile Broadband Network reaches over 253 million people. iDEN Series: Nextel National Networks reaches over 274 million people and includes 48 U.S. contiguous states, HI and DC. Data and voice experience differs by network. International: Int'l services add'l. International dialing capabilities are enabled at activation. Other Terms: Offers not available in all markets/retail locations or for all devices and are subject to change. Add'l fees apply for number changes and market transfers. A nonzero Prepaid Credit Balance is required at all times to access any Boost services (excluding 911 and Boost Customer Care); balance cannot exceed \$300. Voice calls rounded to the next minute. Boost Mobile outbound voice calling rates are based on the geographic location of the cell tower connecting calls and inbound voice calling rates are based on the customers home calling area, which may impact rates that vary based on time of day (e.g., nights and weekends). If your account is cancelled, you will lose all funds in your account balance and your Boost telephone number and walkie-talkie numbers. A \$10 reactivation fee will apply. Calls to your voice mail are charged at the rates set forth in your plan. Standard airtime rates apply when initiating/receiving calls through the call waiting feature. Other surcharges may apply. Text Messages: Standard msg rates are charged for sent/received msgs, whether read, unread, viewed, unviewed, solicited, or unsolicited. iDEN Series: \$1/DAY DOMESTIC WALKIE-TALKIE: Charged on the days you use or receive a Walkie-Talkie Call. Walkie-Talkie calls to int'l locations will incur add'l fees.

\$1/DAY CHAT PLAN: iDEN Series handsets only. Initial charge \$1/Day will be deducted from the account immediately upon subscription to the service; \$1/day charge deducted 12:01 am in the customers time zone unless the customer calls Boost Mobile Customer Care to cancel. Customers must call Boost by 10:59 pm PST to avoid charges for the next day. If the account has insufficient funds, any amounts remaining in the account will be deducted and service will be interrupted until customer adds funds to the account. Unlimited text messaging does not include int'l text messaging, MMS messages & other premium content messages. Wireless Web: Subscription fee charged daily regardless of usage unless customer calls Boost Customer Care to deactivate. Other terms: Add money to your account at least once every 90 days to keep your service active, after 90 days any remaining account balance will expire. Once your account hits a zero balance or 90 days without adding money to your account, you still have 60 days to add money and keep your account active; otherwise your account will be cancelled.
